

GALEON 440 FLY

PRICE: 880.000 EUR (VAT excl.)

			
13,97 m	4,20 m	80 h	1700 L

Galeon has leveraged all of its storied boatbuilding experience to create the 440 FLY, a medium-sized motor yacht packed with intelligent innovations and a fresh approach to onboard space distribution. The yacht has a sleek exterior and unmistakable Galeon DNA regarding this boat's aesthetic appeal. A dynamic silhouette combines with sporty accents throughout to create a boat that looks like it is moving even when it is standing still.

MAIN MACHINERY

Engines	2x VOLVO PENTA D8-600
Engine Hours	80 h

ACCOMODATION

Guests	14
Cabins	2
Toilets	2

OVERVIEW

The sleek exterior marks another collaboration with the esteemed Tony Castro Design Studio and is quickly recognizable as it follows the trends set by the fourth generation of Galeon yachts. A unique combination of a dynamic silhouette with sporty accents throughout is complimented by the large windows on both decks that liven up the interior. A clear focus was placed upon practicality and versatility of all outside areas to include all passengers and allow easy access.

The top deck features a helm station with a settee port side for a companion, with the main rest area moved back. The L-shaped sofa wraps around the elongated table and will seat six in comfort. A wet bar will hold refreshments and help to keep things tidy. The main deck holds two separate leisure areas with the bow easily accessible by the starboard sliding doors next to the helm. Guests can choose to prop-up the foldable bimini and front facing seat for extra protection from the elements.

EQUIPMENT

Standard equipment:

- * Fully openable three segment entrance door and rotating aft saloon sofa
- * Skipper side doors
- * Foldable fiberglass table in cockpit and flybridge
